'Amina, bring out the butter dish, please,' Mother said. Amina knows that the block of butter looks like a yellow rectangle. She takes it out of the fridge.

'Give me the slices, Mother,' said Amina. 'I will put butter on them.' Amina's mother gives her the slices.

Mother then cuts a cucumber and a tomato into circles. She puts them on the bread. She also boils three eggs to make some egg sandwiches. Amina knows that the shape of an egg is oval.
